## A LITTLE BIT ABOUT RAJBHOG

Rajbhog Sweets & Snacks is a pioneer in the industry, making the finest Indian sweets and snacks in America. We bring the authentic taste of "The East" to the United States.

'Rajbhog' literally means 'a king's offerings to the God's.' Traditionally, only the finest quality sweets were made as an offering for this auspicious event. You will find that Rajbhog Sweets and Snacks are indeed fit for the Gods!

The 'Rajbhog' concept started over two decades ago in a small sweet and snack shop located in Jackson Heights, New York. The owners and originators, Ajit and Lata Mody, had one goal, to provide the Indian Community with authentic and wholesome sweets and snacks. Keeping this goal in mind, Ajit and Lata continued to create tasty and wholesome delicacies by using the finest ingredients. All Rajbhog sweets are made using pure ghee (clarified butter) and mawa (fresh milk), which give the sweets a far richer flavor.

Today, Rajbhog Foods is a leading manufacturer and nationwide distributor of sweets, snacks, chikkis, cookies, frozen foods, ice cream and beverages.

The Rajbhog brand has come to represent high quality and service. You can find Rajbhog products at any of our retail outlet locations or select Indian grocery stores nationwide.

Rajbhog takes a great deal of pride in everything they do. We hope that this introduction has already begun to show this. We know that you'll understand the legend when you experience our service, quality and flavor.
